SUMMARY

The FY2027 President's Budget proposes transferring Birth Defects, Developmental Disabilities, and Disability and Health from CDC to AHA, reducing total funding by \$51.3 million (-25.0%). All major sub-programs continue at reduced levels; key cuts include Disability and Health (-\$10.5M) and Autism (-\$5.0M). Surveillance for Emerging Threats to Mothers and Babies (\$23.0M) is fully eliminated.
