* Child Health and Development excludes Neonatal Abstinence Syndrome, which is presented as a separate program line
— FY2027 President's Budget proposes transferring Surveillance for Emerging Threats to Mothers and Babies to the Emerging and Zoonotic Infectious Diseases program

Note: Comparisons are anchored to the FY2026 CDC Operating Plan structure to facilitate consistent tracking of program-level funding changes across the FY2027 President's Budget Request and House Appropriations Committee proposal. In some cases, program groupings, hierarchies, or funding structures differ across budget documents; figures are aligned to the FY2026 structure.
